# EDITOR

CINDY SHORT

Dear Reader,

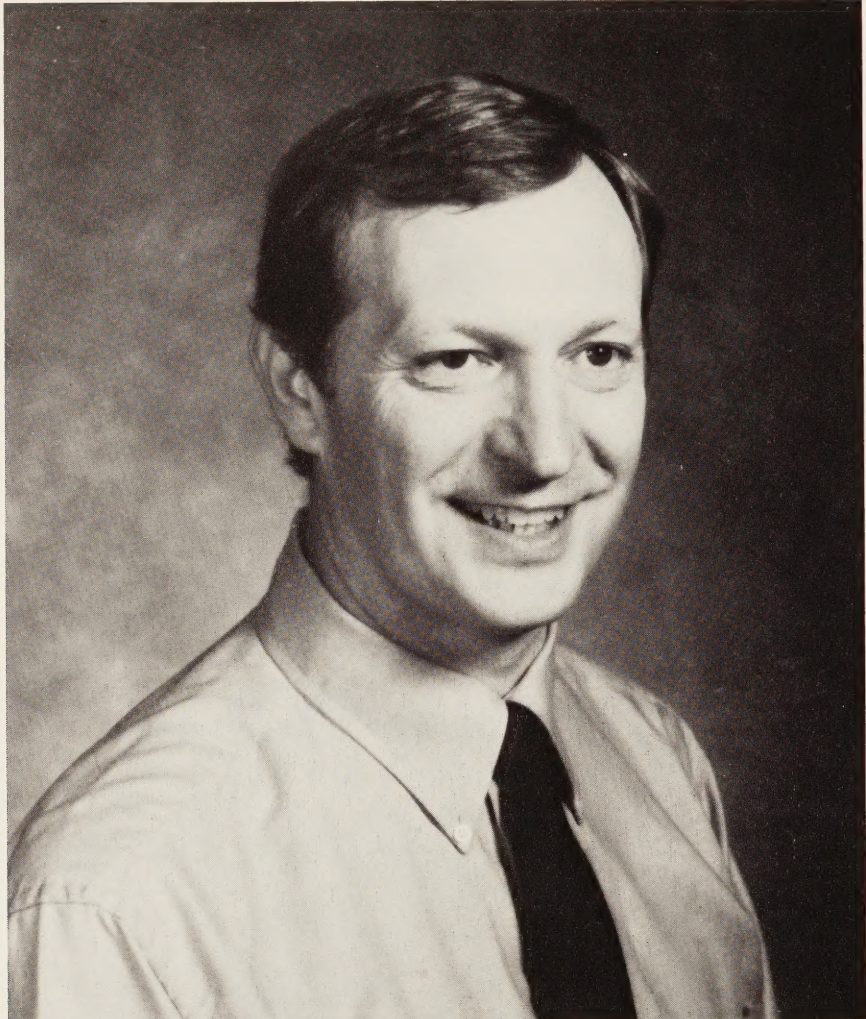

I would like to take this time to point out how hard this year's staff has worked. Since only two had worked on the staff before and a computer was added to the staff, almost everything had to be learned from the beginning. Luckily the staff had expert advice from Mr. Shockey to guide us.

As with most staff's, our goal was to create a book filled with familiar people and places that can be treasured for many years to come. We believe that we have captured the uniqueness of our school in the collection of faces and activities. We hope that you enjoy your 1988-89 yearbook. We also hope that you are able to take pride in it and the school's accomplishments shown in the following pages.

Thank you!

# 1989 DEDICATION

Bob Meade

The 1989 Green Knight Staff and Senior Class of 1989 are proud to dedicate this yearbook to Bob Meade, who is a Senior Sponsor this year. We would like to thank Coach Meade for his hard work, leadership, and guidance he had given this class during our high school career.

# SPACE ENDEAVOURS

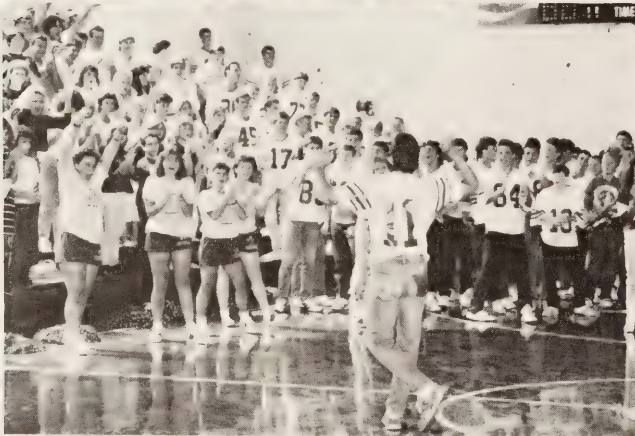

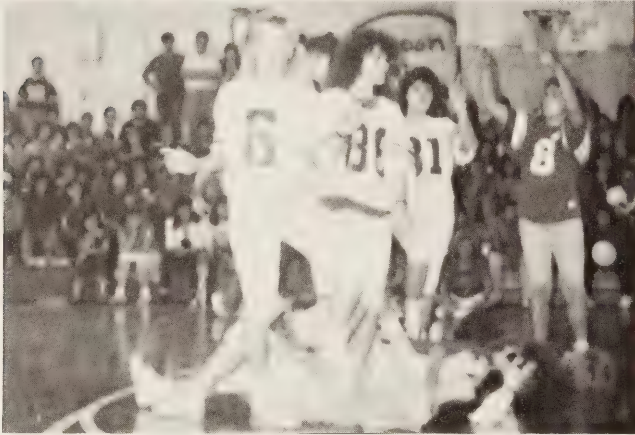

This was a special program presented by the Science Club as an entry in the national contest sponsored by NASA to name the next space shuttle. The program included models, exhibits, and papers on the past, present, and future space endeavors. The club also had a guest speaker to lecture on the development of the various types of space and air vehicles.

# “ THE LAST PAGE “

Deanna Brown

Miss Deanna Brown has been selected as " Ambassador to Russia" in The People to People Youth Science Exchange. The goal of the Exchange is to promote the free interchange of ideas, inquiry, and knowledge among high school science students from the United States, The People's Republic of China, and the Soviet Union, using the common language of scientific interests. The program emphasizes hands-on science activities and people-to-people contact between counterpart science students and their teachers.
